EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 11, line 1, change "1" to -7--.

REMARKS: The amendment to claim 11 corrects its dependency from claim 1 to claim 7. Otherwise, claim 11 would be redundant in the subject matter recited in claim 6 also dependent on claim 1. Since claim 11 is newly submitted along with claims 7-10, it appears that claim 11 would depend on claim 7.

2. The following is an examiner's statement of reasons for allowance: Claims 1-11 are allowable because none of the prior art of record discloses a vehicular lamp comprising at least a plurality of light emitting element lines, each light emitting element line separately connecting a different respective plurality of light emitting elements in series, wherein the light emitting elements connected in series by any one of the light emitting lines are symmetrically disposed about a first centerline bisecting the vehicular lamp from a frontal view of the vehicular lamp and any one of: (a) wherein a plurality of light emitting elements which are arranged along an imaginary substantially straight light that intersects and is perpendicular to the first centerline correspond respectively to at

least two different light emitting element lines; (b) wherein the light-emitting elements connected in series by any one of the light-emitting element lines are disposed symmetrically with respect to a second centerline of the plane, said second centerline being perpendicular to the first centerline.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
